About Us

We believe in “Glocal” thinking – keeping Indian roots alive while adapting to global market expectations. We work with FSSAI-licensed, APEDA-registered, and ISO-compliant suppliers, and our manufacturing facilities follow HACCP and GMP guidelines.

Our commitment is to offer:

- Consistent product quality
- Ethical sourcing practices
- Customized packaging & branding
- Timely logistics and delivery
- Transparent documentation & compliance

Why Choose Us

Diverse Expertise – With years of experience in the spice industry, we bring extensive knowledge and expertise to deliver top-quality products worldwide. Our deep understanding of market trends and customer preferences ensures that we provide the best spices and seeds for every need.

Innovation-Driven – We continuously enhance our sourcing, processing, and packaging techniques to meet evolving market demands. By leveraging modern technology and research, we develop innovative spice solutions that retain maximum flavor and freshness.

Quality First – Our products undergo stringent quality checks to ensure purity, freshness, and superior taste. From farm to packaging, every step follows strict quality control measures to meet international food safety standards.

Customer Focused – We prioritize customer satisfaction by offering customized solutions and responsive service. Our dedicated team ensures timely deliveries, personalized packaging, and excellent support to meet specific market requirements.

Why Choose Us

Sustainable Practices – Committed to eco-friendly sourcing and packaging, we support a greener future. By working with sustainable farms and reducing plastic waste, we contribute to environmental conservation while providing high-quality products.

Global Reach – With a strong distribution network, we efficiently supply to wholesale, import-export businesses, and major retail chains across the globe. Our logistics expertise ensures fast and reliable deliveries, making our products accessible worldwide.

Advanced Packaging – Our packaging is designed to maintain product quality and increase self life of the product. We make custom package as per buyer requirements.

Our product range

Tam Tam – Tam Tam Namkeen delivers a wide range of authentic Indian snacks, crafted to suit international tastes. Our products are available in both bulk and retail export-ready packaging with options for private branding and multilingual labelling. We use hygienic, certified processes and tamper-proof packaging to ensure safety and quality. Complete export support is provided, including documentation, fumigation, and palletizing for smooth global shipping.

Our product range

Soya sticks - Soya Sticks are a crunchy, savory snack made from high-quality soy flour, known for their rich protein content and satisfying texture. Lightly spiced and fried to perfection, they are a popular choice among health-conscious snack lovers and those seeking plant-based options. Ideal for all age groups, Soya Sticks combine taste with nutrition, making them a great alternative to traditional fried snacks. With a long shelf life and wide appeal, they are perfect for both domestic and international markets.

Our product range

Soya Chips - Soya Chips are a tasty, protein-rich snack made from premium soy flour, offering a healthier alternative to traditional potato chips. Light, crispy, and seasoned with flavorful spices, they are ideal for health-conscious consumers looking for a nutritious yet satisfying snack. Rich in plant-based protein and fiber, Soya Chips are perfect for anytime snacking and suit both vegetarian and vegan diets. Their extended shelf life and appealing taste make them a strong choice for retail and export markets alike.

Our product range

Sing Bhujiya (Masala Peanuts) – Sing Bhujiya is a classic Indian snack made from premium quality peanuts, lightly coated in a spicy gram flour batter and deep-fried to a crispy finish. Known for its bold flavor and crunchy texture, it's a popular tea-time snack and a favorite among all age groups. Rich in protein and packed with traditional Indian spices, Sing Bhujiya offers a perfect balance of taste and nutrition. Its long shelf life and strong demand make it an excellent product for both local and export markets.

Our product range

Potato Chips - Potato Chips are a universally loved snack made from carefully selected, thinly sliced potatoes, fried to a perfect crisp and seasoned with a variety of flavorful spices. They offer a light, crunchy texture and are available in classic salted, spicy, tangy, and custom flavors to suit diverse tastes. Made under hygienic conditions using food-grade oils and packaging, our potato chips are ideal for both domestic and international markets. With strong shelf stability and wide appeal, they are perfect for retail shelves and private labelling.

Our product range

Banana Chips - Banana Chips are a crunchy, flavorful snack made from carefully sliced raw bananas, fried or baked to perfection and seasoned with traditional spices or classic salt. Known for their unique taste and satisfying crunch, they are a popular alternative to potato chips, especially in health-conscious and ethnic snack segments. Produced under strict hygienic conditions using food-grade oils and materials, our banana chips are ideal for retail and export markets. With a long shelf life and customizable flavors and packaging, they are perfect for private labelling and global distribution.

Our product range

Moong Dal - Moong Dal is a light, crunchy snack made from premium split green gram, carefully fried and lightly salted for a delicious taste. Rich in protein and easy to digest, it's a popular choice for health-conscious consumers seeking a tasty yet nutritious snack. Prepared under hygienic conditions with quality oils and food-grade materials, our Moong Dal is ideal for both domestic and international markets. With excellent shelf stability and customizable packaging, it's a perfect fit for private labelling and global export.

Our product range

Nylon Gathiya - Nylon Gathiya is a traditional Gujarati snack made from gram flour, known for its light, airy texture and mildly spiced flavor. Crisp and soft at the same time, it's a favorite tea-time snack enjoyed across all age groups. Made using high-quality ingredients under strict hygienic conditions, our Nylon Gathiya is packed in food-grade, export-friendly packaging. With a long shelf life and wide appeal, it's ideal for private labelling and distribution in both domestic and international markets.

Our product range

Mix Namkeen - Mix Namkeen is a flavorful blend of various crunchy ingredients like sev, boondi, peanuts, and spices, offering a perfect balance of taste, texture, and spice. It's a popular all-in-one snack enjoyed across regions for its rich flavor and satisfying crunch. Made with premium ingredients under hygienic production standards, our Mix Namkeen is packed in export-quality, food-grade packaging. With a long shelf life and strong market demand, it's ideal for private labelling and international distribution.

Our product range

Bhakar Wadi – Bhakar wadi is a traditional, crispy snack made from a blend of wheat flour and spices, rolled into bite-sized pieces and deep-fried to perfection. Known for its unique, savory flavor and crunchy texture, it's a popular snack enjoyed with tea or as a light munch. Prepared using premium ingredients and hygienic practices, our Bhakar Wadi is packed in food-grade, export-friendly packaging to maintain freshness. With a long shelf life and widespread appeal, it's perfect for private labelling and international distribution.

Our product range

Fulwadi - Fulwadi is a crunchy, savory snack made from a blend of gram flour and spices, shaped into small fritters and deep-fried to perfection. Its crispy texture and bold, flavorful taste make it a favorite among snack lovers. Made with premium ingredients and produced under hygienic conditions, our Fulwadi is packed in food-grade, export-quality packaging to preserve freshness. With a long shelf life and strong demand, it's ideal for private labeling and global distribution.

Our product range

Chana Jor Garam – Chana jor garam is a crunchy, spicy snack made from roasted black chickpeas, seasoned with a perfect blend of aromatic spices. Known for its bold, zesty flavor and satisfying crunch, it's a popular snack across India and beyond. Prepared using premium ingredients under strict hygienic conditions, our Chana Jor Garam is packed in food-grade, export-friendly packaging to maintain freshness. With its long shelf life and widespread appeal, it's an excellent choice for private labelling and international distribution.

Our product range

Chakri – Chakri is a traditional, spiral-shaped snack made from a blend of gram flour and spices, fried to a crisp golden perfection. Known for its unique shape, crunchy texture, and deliciously savory taste, it's a favorite snack for all occasions. Made with high-quality ingredients and produced under hygienic conditions, our Chakari is packed in food-grade, export-quality packaging to preserve freshness. With a long shelf life and broad appeal, it's perfect for private labelling and international distribution.

A series of thin, black, overlapping geometric lines and polygons that create a complex, abstract pattern on the left side of the slide. The lines vary in orientation, creating a sense of movement and depth.
